

Striking it Rich

with

TEDPA

Greetings, Miners! Welcome to the 2017 TEDPA Mine in Golden, Colorado! Golden offers many opportunities to shop, dine, sightsee, adventure and more. This year's theme is ***"Striking it Rich with TEDPA."***

This year we're taking a different approach towards developing ways to make new attendees feel welcome to the quarry as well as give sponsors more time while mining for golden nuggets. Meeting your fellow prospectors is an important part of growing and supporting the TEDPA mine family. Excavating (i.e. speed networking) with sponsors is a glowing concept that places you with other diggers in a rotating format.

Be sure to get your excavation card initialed by all of your fellow prospectors in order to become eligible for the golden prize drawing to be held at the end of the excavating. You must be present to win.

The TEDPA board has reviewed your comments and suggestions from last year's conference and we've incorporated as much as possible into this year's agenda that we believe may be applicable to you with performing your daily chores.

Most importantly, thanks to all of our Sponsors. Fellow prospectors, please take the time to pick them and provide feedback on their products and services. One of the sponsors' primary reasons for attending our events is to obtain input from you on how they can better serve our consumers.

Enjoy the 2017 TEDPA Bonanza and all that Colorado has to offer.

Diggingly yours,

James Forstall, Chair

Area Airport and Train

The Denver International Airport (DEN) is located 35 miles from Golden, Colorado, and 25 miles from Denver's Union Station. Denver's high speed, state-of-the-art [RTD A Line train](#) picks up visitors directly outside the airport doors and drops them at Denver's beautiful, recently renovated Union Station in 36 minutes. From Union Station, visitors can continue on to Golden using the high speed [RTD light rail W Line](#). And all for \$9.00!

Make sure before you head to Golden that you take advantage of everything that [Union Station](#) has to offer. Whether it be lunch at one of the many restaurants, a cup of joe at Pigtrain Coffee, ice cream at the Milkbox Ice Creamery, or picking up a book/gift at Tattered Cover Book Store, you'll certainly want to spend some time here!

Denver Marriott West has a complimentary shuttle that will pick up guests from the Oak Street Station just 2 miles from the hotel. This service can also be used for guests wishing to take the light rail into Denver or to Union Station. The shuttle runs every half hour and can be scheduled through the front desk at 303.279.9100.

Benefits to using RTD Train and Light Rail:

- You can buy one-way tickets and day passes using cash, credit or debit at the ticket vending machines located at any RTD rail station. The Regional/Airport Day Pass is the same price as a one-way Airport ticket and grants unlimited travel on any RTD service for the remainder of the service day.
- Cost Effective!! Check out pricing [HERE](#)
- Discounts for seniors and individuals with disabilities
- Reduce your carbon footprint and help keep Colorado beautiful!
